Meet our Colours collection.

It's ok to show all your colours.

SUSTAINABILITY | ACOUSTICS | DESIGN

You don't design a space. You define an experience.

We believe in shaping interiors that inspire, comfort and endure. Our Colours collection embodies the harmony of creativity and mindful care for our planet and its people.

Discover our new generation of sustainable premium woven vinyl floors.

Designed and sustainably manufactured in Belgium where we merge innovation with artistry.
Join us on our road to zero waste !

Say my name. Silently. Greenfelt.

Enhance the well-being of any room with our integrated Greenfelt acoustic underlay. Being made almost entirely from recycled content (93%) it truly is the quiet foundation of a sustainable future.

Creativity meets resilience.

The vibrant colours of our Colours collection can easily be matched and paired with the designs in our Design or Core collection. Let your creativity take the lead as you mix and match patterns and colours to craft unique spaces.

Let's design an acoustical & sustainable future together !
