

A long-exposure photograph of a night sky showing star trails. The trails are curved, indicating the Earth's rotation. The trails are primarily blue and white, with some red and green trails visible. The word "BLAZE" is overlaid in a white, stylized, brush-like font in the center of the image. The background is dark, and the trails create a sense of motion and depth.

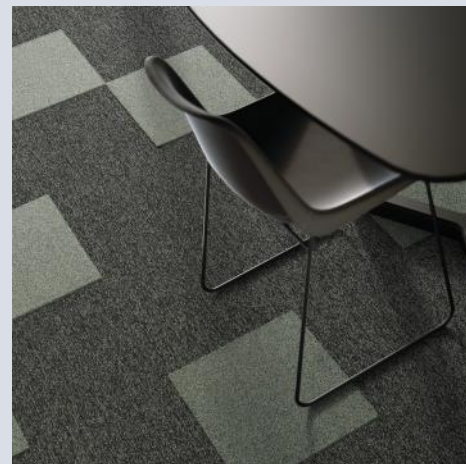

BLAZE

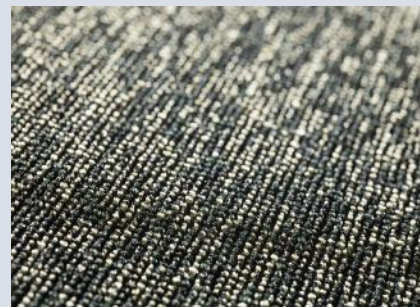

## DIGITAL EXISTENCE

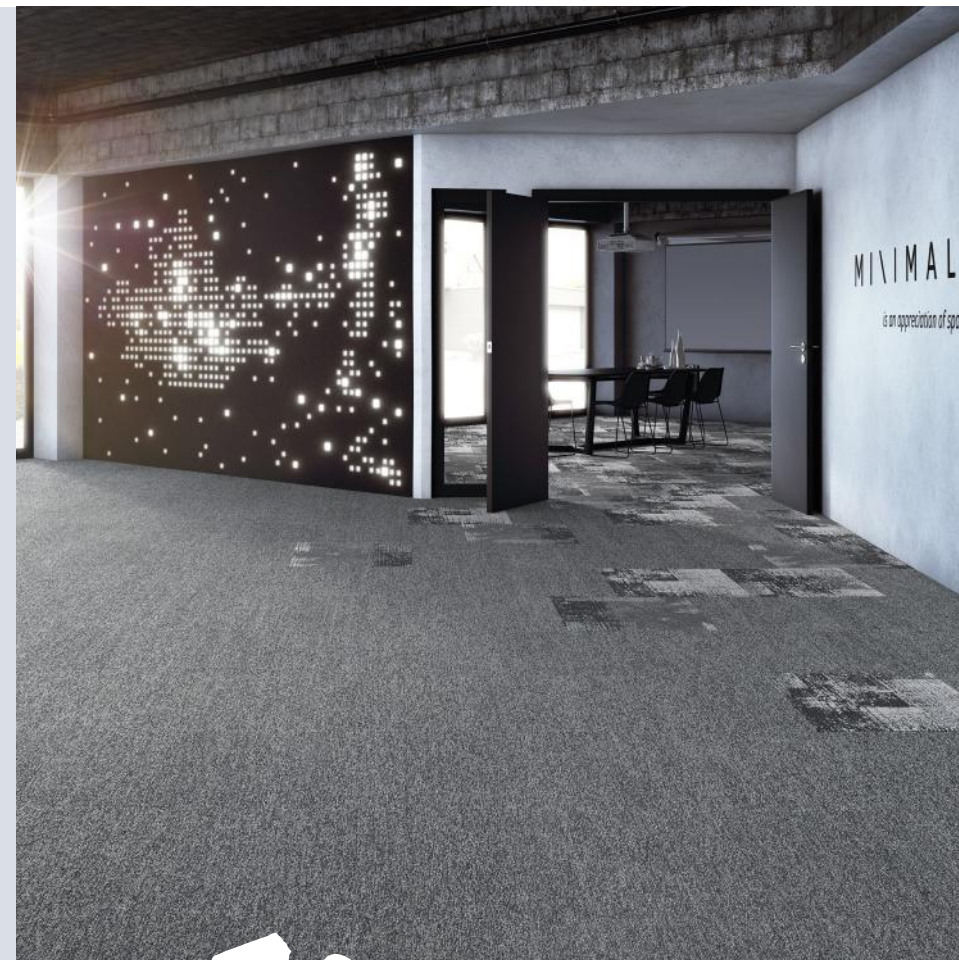

Blaze 553, 961

Blaze 668 & Gleam 615

Blaze 668

Blaze 961 & Dusk 96B, 96M

# BLAZE

In a world marked by technological revolutions, the cool look of Blaze embodies our perpetually moving digital existence. This minituft carpet tile, made of 100% regenerated ECONYL® yarns, offers an industrial and minimal design with an ultra-clean and pixelated gloss effect.
